

Part B: Write a postcard explaining all the physical features you have seen on your trip around the Japanese islands. Make sure the front of your postcard shows your favorite Japanese landscape!

The form is a postcard template with a decorative border. It is divided into four main sections:

- Writing Area:** A large rectangular area on the left side, containing ten horizontal lines for writing.
- Address Area:** A vertical rectangular area on the right side, containing three horizontal lines for an address.
- Stamp Area:** A small square box located in the top right corner of the postcard.
- Picture Area:** A large rectangular area on the bottom right side, intended for a drawing or photograph of a Japanese landscape.
