

# Na hUimhreacha Pearsanta

## 10 Point Summary (You're Welcome)

1. The Uimhreacha Pearsanta are the words we use when we are counting PEOPLE (ag comhaireamh daoine).
2. For counting people 1-12 we use these specific words for each:

1... Duine amháin	5... Cúigear	9... Naonúr
2... Beirt	6... Seisear	10... Deichniúr
3... Triúr	7... Seachtar	11... Aon duine dhéag
4... Ceathrar	8... Ochtar	12... Dáréag
3. When you are counting from 2-10 people, the Uimhir Phearsanta puts the noun into the Tuiseal Ginideach Iolra.
4. The word 'beirt' puts a séimhiú on the noun that follows EXCEPT if that noun begins with the letters D, S or T.
5. The Uimhir Phearsanta is NEVER followed by the word 'duine' as it is already included in the Uimhir Phearsanta word.
6. When you are talking about 12+ people, there are no special Uimhir Pearsanta words. Instead you just use the regular Bunuimhreacha/Uimhreacha Neamhphearsanta. If the noun ends with a vowel, the word "déag" takes a séimhiú.

AND THAT'S IT!!

Hey look we didn't even need the full 10 points!
