

## An Tuiseal Ginideach Uatha 2

### Athruithe ag Tús na bhFocal

#### 10 Point Summary (Let's just not even pretend it's going to be that long)

1. There are certain changes that take place at the start of nouns when they are placed in the T.G Uatha.

2. The rules are as follows for most masculine nouns:

| Masculine Word Beginning | Changes at the Start |
|--------------------------|----------------------|
| Consonant                | an + séimhiú         |
| Vowel                    | an + no change       |
| S                        | an + t               |

3. And these are the rules for most feminine nouns:

| Feminine Word Beginning | Changes at the Start |
|-------------------------|----------------------|
| Consonant               | na + no séimhiú      |
| Vowel                   | na + h               |
| S                       | na + no t            |
