

People of the Rainforest! Activities

Down below we have a mixture of facts. Some of them are true for people who live in the rainforest and some of them are true for most people who live in Dublin.

Match the facts with the correct person. Make sure to read them carefully, because some of them match to both!

I wear jeans and t-shirts with shoes.

I eat foods that I grow, gather or hunt myself.

I live in a home, made of bricks with roof tiles.

I eat meat and vegetables.

I live with some of my family.

I cook my food in a gas or electric oven.

My meat usually comes in packets or from a butcher

I do not have any electricity.

I use a blowpipe or bows and arrows to hunt prey.

I collect all my water from rivers

I get most of my food from supermarkets.

I cook all my food on an open fire.

I wear a basic cloth and have bare feet.

I use the plants and nature as medicine.

I like to sing and dance at parties.
