

Zoo Department Research

After you watch the 'phone call' video clip, you can choose two rainforest animals to research. You have to give over all the information needed to make a zoo habitat for your chosen animals. You can pick from below or your own rainforest animal.

Harpy Eagle

panther

Toucan

Anaconda

Caiman

Sloth

Zoo Habitat Research

Draw the zoo habitat that your animal would need

Animal Name:

Animal Family Group:

Where are they found:

Draw what your animal eats:

Size:

Interesting fact about your animal for visitors to read:
