

Working with Scales! Activities

If you have a **weighing scales at home** you can complete **Activity A**. Check the bathroom, the kitchen and anywhere else for one! If you **do not have a weighing scales** at home you can complete **Activity B**.

Activity A: Weighing Hunt

Find 10 different objects from your home. Estimate their weight and then check them by weighing them.

Object	Estimate	Weight
Can you find an item that weighs EXACTLY 1KG?		

Working with Scales! Activities

Activity B: Weighing Hunt

Find 10 different objects from your home. Estimate their weight and then check them by googling their weight.

Object	Estimate	Weight
Can you find an item that weighs EXACTLY 1KG?
