

Scandinavia Today

We Are Learning To:

Compare some of the features of Scandinavia to those in Ireland

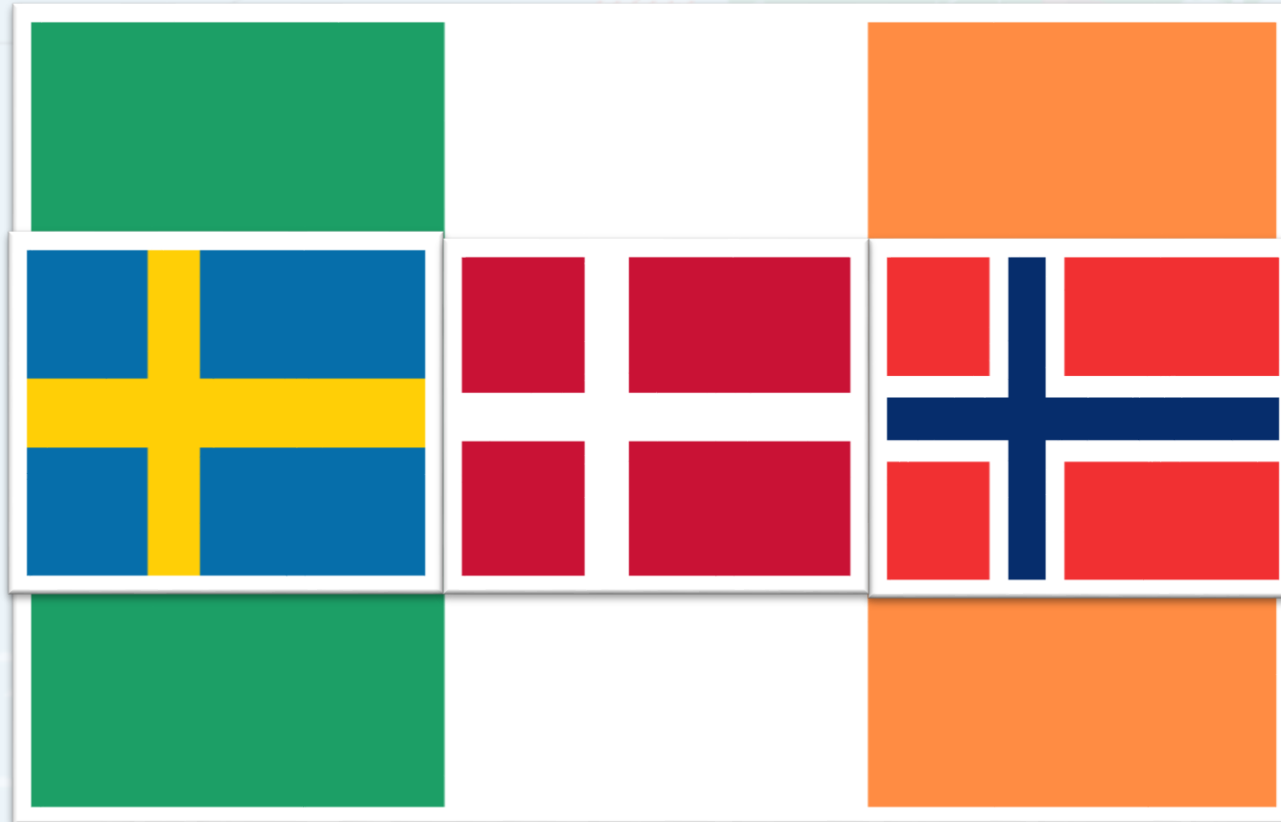

Can you remember any facts
about Scandinavia that we learned
already?

Think of 4 geography facts in
your pairs!
Think, Pair, Share!

What does it mean
when we say
'compare'?

When we talk about compare two things to one another, we are looking to see what is the same and what is different about those things.

There are lots of similarities and differences between Ireland and the Scandinavian countries.

What do you think is most different between Ireland and Scandinavia?

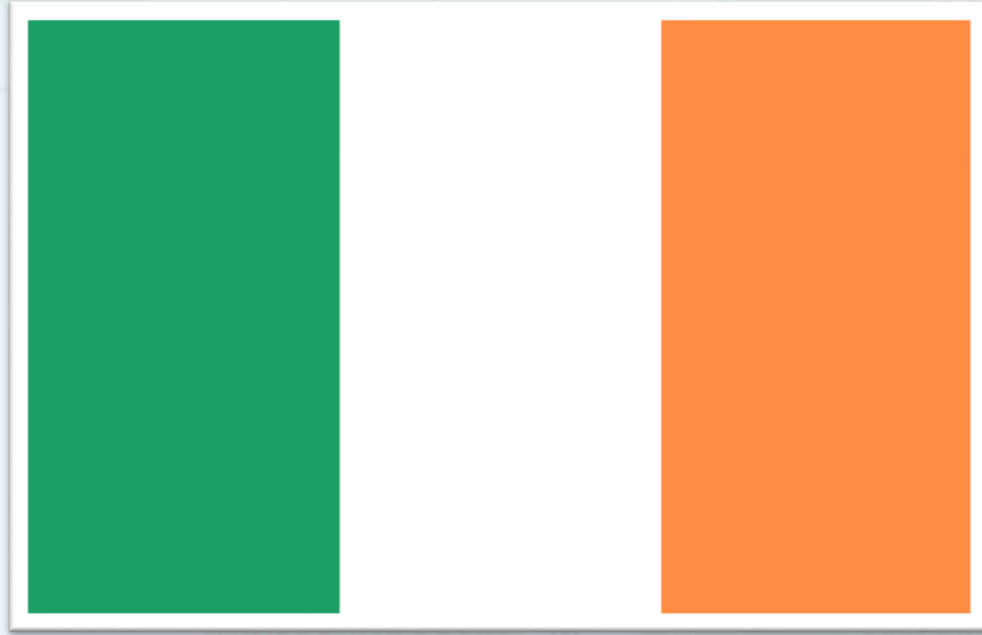

Think, Pair, Share 2 ideas!

What do you think is most similar thing between Ireland and Scandinavia?

Think, Pair, Share 2 ideas!

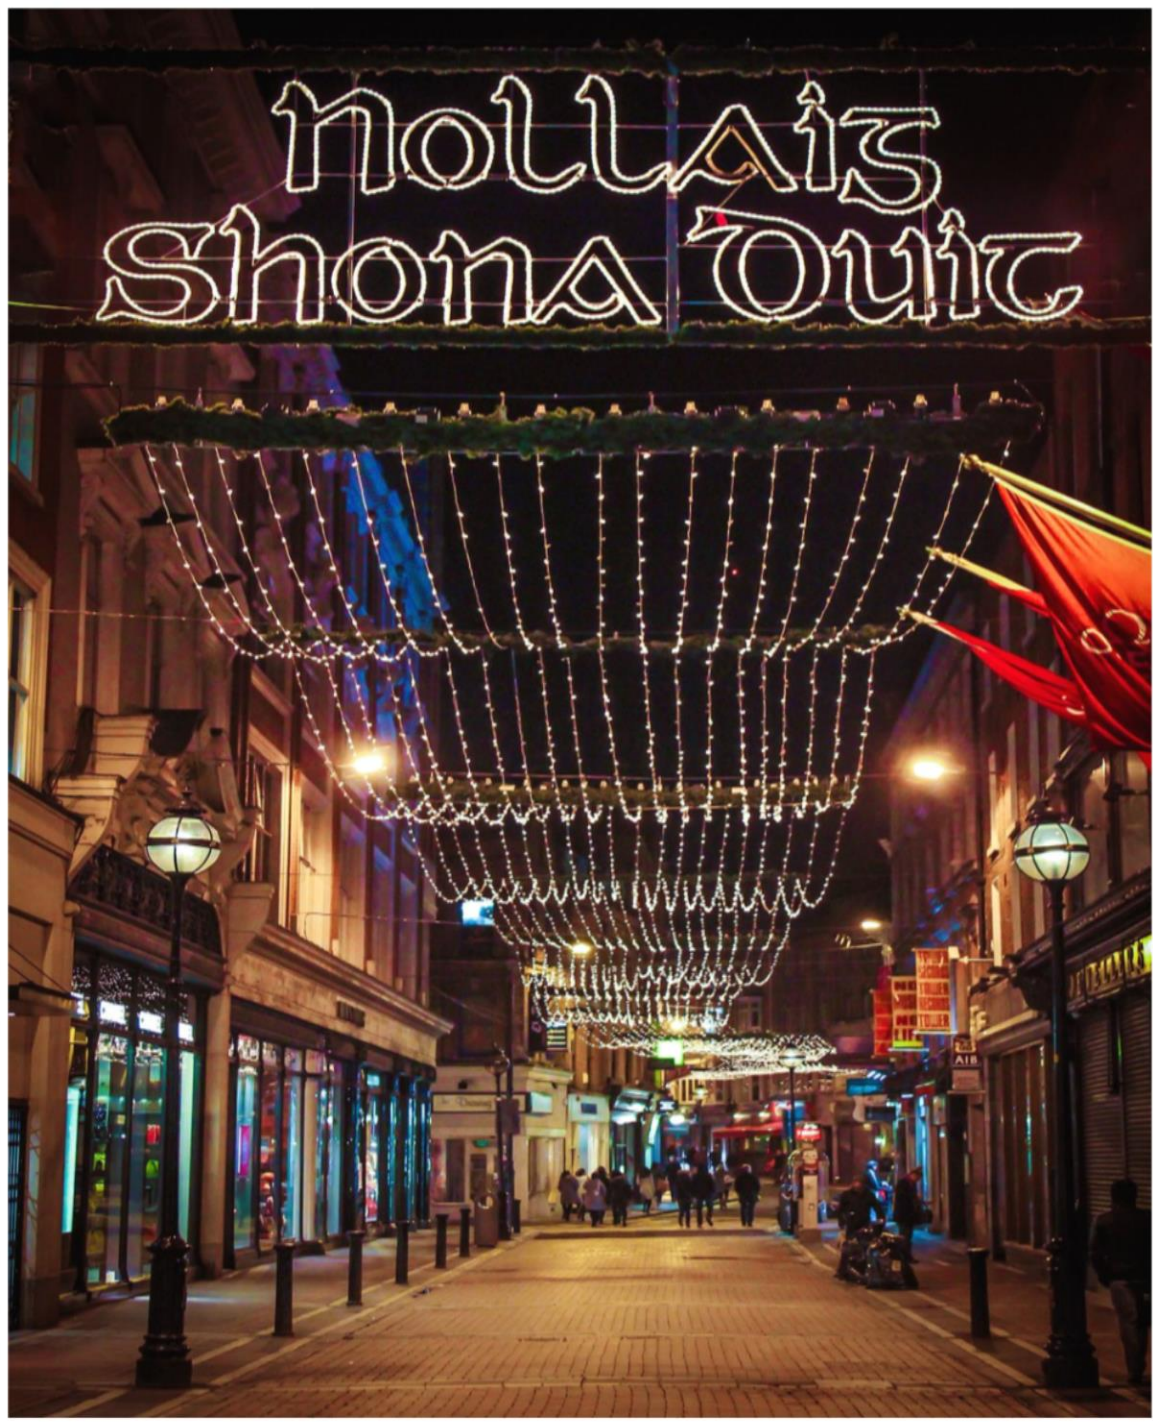

Let's compare some pictures of Ireland and Scandinavia. For each, try to find one thing the same and one thing different. Also try figure out which is Irish and which is Scandinavian!

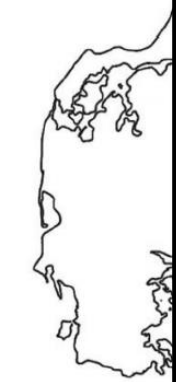

Activity Time -Research Time

In your groups, you are going to compare a specific part of Ireland's geography to that in Scandinavia. Each group will get a different area to focus on! You will need to use teamwork and research skills to complete your map!

Denmark

Ireland

Research Time
