

## Design and Make: Viking Bread!

### Challenge:

Sigrid The Brave needs your help to feed the Vikings on their journey to Ireland. You will need to make some bread using Viking technology and ingredients.

**List the ingredients and amounts you will use:**

**Describe what your mixture looks and feels like before it is heated:**

**What changes do you predict will happen to your mixture?**

## Design and Make: Viking Butter!

### Challenge:

Sigríð The Brave needs your help to feed the Vikings on their journey to Ireland. You will need to make some butter using Viking technology and ingredients.

**List the ingredients and amounts you will use:**

**Describe what your mixture looks and tastes like before you mix it:**

**What changes do you predict will happen to your mixture?**

## Design and Make: Viking Bread!

**Testing:** Draw a before and after picture of your bread!

Before	After

### **Results:**

What happened to your mixture? How did it change?

---

---

---

---

How does your bread taste?
