

# The Space Race - Secret Missions Timeline

Date
Picture
Country Event details

## Instructions

Hack into the secret USSR database to access secret mission files.

- Each time you find a fact file, copy the information onto one of these 6 timeline cards.
- When you have all 6 secret missions found and copied, cut out and colour the timeline cards.
- Stick the events in chronological order (from first to happen to last to happen) on your timeline sheet.
- Finally, decorate the background of your timeline.
