

# Ireland Before the Vikings - Tribal Takeover

## Instructions:

- Each 'clann' is a separate team. Place one team in each "village" per round.
- Clanns must defend their village while trying to capture the neighbouring village.
- All 5 cones must be knocked down by throwing the balls at them. Once all 5 cones on one side are down the clann can try knock down the 'roundhouse'. The game is over once a roundhouse is knocked down.
- Warriors can use their shields to block the balls from hitting cones and their lower bodies.
- If a warrior is hit by a ball below the waist they are out.
- If the Rí of a class is hit by a ball below the waist the opposing team instantly wins.

## Equipment:

- Warriors own shields
- Soft balls (6-8)
- Bowling Skittles (10)
- Hula Hoops (10)
- Cones to mark area
