

Where is Scandinavia? - Map Work

Use either Google Maps or an atlas to complete the map work down below:

Research the flag of each Scandinavian country. Then colour the country in the flag colours.

The capital of Norway is:

The capital of Sweden is:

The capital of Denmark is:

What sea is north-west of Norway?

What sea is between Norway and the U.K?

Label as many other European countries as you can. Use the first 3 letters to label them. E.G: Ireland = IRE

Draw a star where each countries capital city is located on the map. You may use a pen to do this.

Which Scandinavian country is smallest?

Which Scandinavian country is largest?
