

Amazing Adjectives! Activities

In today's grammar mini-lesson, we learned that **adjectives** are used to **describe nouns**. Try the activities down below to practice this grammar rule!

Activity 1: Find the adjectives!

Take a look at the words down below. Some are adjectives and some are not. Cross out any word that is **not** an adjective.

orange

tooth

faster

box

sing

small

glass

fancy

bag

swim

red

run

pretty

long

dancer

island

Activity 2: Detective Work

Use your detective eye to highlight the adjectives in each of these sentences.

1. The dinner was tasty and warm.

2. The football team wore their red and striped jersey to the match.

3. The teacher was shouting at the class. He was bald and old but he still shouted loudly!

Amazing Adjectives! Activities

Activity 3: Describe that dude/dudette!

Look at the picture of the people below. Choose which adjectives you would use to describe them.

He is...

She is...

He is...
