

# Human Scandinavia - Holiday Show

In your groups, choose which Scandinavian country you want to represent. Using PowerPoint or Google Slides, create a slideshow that includes all of the pieces needed down below:

## Presentation Checklist

Your slideshow must include:

- A slide with at least 3 human geography facts about your country.
- A slide that tells us what attractions are in your country.
- A slide that tells us how we would get to your country and how much it costs.
- A slide that tells us what kind of food is traditional in your country.
- A final slide that can include any other information to persuade us.
