

My Amazing Body: Organ Match Up

Cut out the organ cards and match them up with the job they do in the body. There is a bonus point if you can name each organ!

My Amazing Body: Organ Match Up

<p>My job is to send messages to the other parts of the body to tell them what to do.</p>	<p>My job is to pump blood around the body to deliver oxygen and nutrients to the organs.</p>
<p>My job is to take in fresh air and get rid of stale air. I move oxygen into the bloodstream.</p>	<p>My job is to squish up your food and break it down into a creamy mush. I am full of acid.</p>
<p>My job is to suck the nutrients and minerals out of your food and absorb it into the body.</p>	<p>My job is to clean your blood. I get rid of toxins and waste materials in your bloodstream.</p>
<p>My job is to take waste out of the blood and turn it into a liquid.</p>	<p>My job is to hold the liquid waste from your body until I am full enough to empty.</p>
