

Football Frenzy: Compare and Contrast

Use the photo cards of football kits through the years to help you answer the questions down below.

What is similar about the two kits?

What is different about the two kits?

Which kit do you prefer and why?

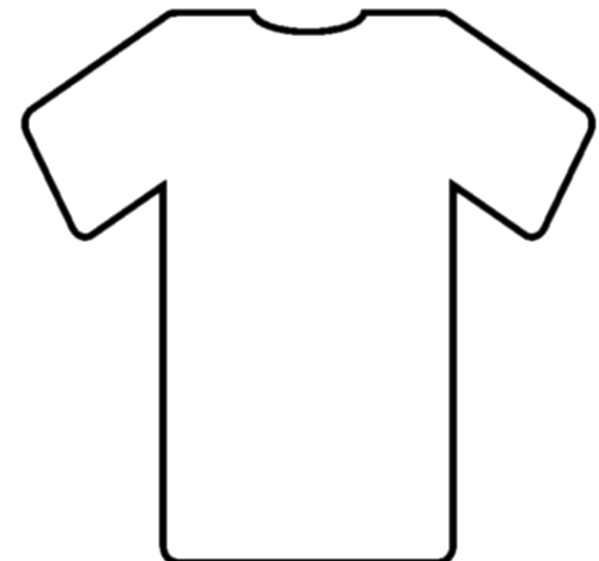

You have been hired by a famous football club to design their jersey for next year. It is a special year, where they will celebrate their 80th anniversary.

They want you to design a 1940s style kit and a modern version of the same kit. Try to use the same colours in both and the same crest. Other than that go wild!
